

BP101 Fund Scholarship Application

(For spouses of Border Patrol Agents assigned to the Tucson Border Patrol Sector)

SCHOLARSHIP OVERVIEW

BP101Fund is now accepting applications for the BP101Fund Scholarship Program. The number and value of scholarships awarded will depend on the number of recipients selected. BP101Fund is devoted to remembering, honoring and celebrating Tucson Sector Border Patrol agents who have fallen in the line of duty, while raising funds to assist local border patrol families in need. We have done this through financial assistance to the dependents of fallen agents, and we are currently directing funds to a growing scholarship fund to benefit border patrol families in Southern Arizona.

Essays will become the property of the BP101Fund and may be published on the BP101Fund website. Scholarship awards are distributed prior to the immediate spring semester for enrolled full-time student awardees and sent directly to the accredited trade school, college, or university.
